Certificate of Performance

This is to certify that M/s Ganesh Engineering Works, Buxar, has been supplying us Biomass Gasifiers for 100% biomass based rural electrification systems since 2007. More than 100 Gasifiers of 32 KW capacity has been supplied so far which have been performing up to the expectation. And we are fully satisfied with his after sales service.

We wish them very best in their endeavors.

Nikhil Murarka

(Authorized Signatory)
